

CITY PHYSIOTHERAPY

Building relationships for better health

Whether you're a serious athlete or just keeping fit, there comes a time when you'll need to see a Physio. The best results come from someone who knows your body and your needs, and that's about developing a good relationship.

At City Physiotherapy we recognise this, and so to help start that relationship, we'll waive the first gap payment.

Preferred provider for: Health Partners BUPA
Medibank Private & HCF *Limit one gap free treatment per person.
